DePaul Partners with ABVI to Help Those in Need

DePaul, a local not-for-profit agency founded in 1958 that provides mental health residential and treatment services, programs for those with a developmental disability, residential assisted living services for the elderly, and addiction prevention and support programs, has been chosen as a partner in the ABVI-Goodwill Good Neighbor Program, a new collaborative effort with local non-profit agencies, that will benefit hundreds of people locally. In addition to DePaul, ABVI-Goodwill has also partnered with the American Red Cross Greater Rochester Chapter, Golisano Children's Hospital, YWCA of Rochester & Monroe County, Saint's Place, and Chances and Changes-Domestic Violence Program.

Needy clients served by DePaul will be able to redeem gift cards, donated by ABVI-Goodwill, at Goodwill stores in the greater Rochester area and use them to purchase clothing, shoes, household items, books, and other items.

DePaul applauds ABVI-Goodwill for working together with area agencies to build strong communities through the services they provide and the people they serve.

###

DePaul is a private not-for-profit agency founded in 1958 that provides residential senior living services for the elderly, mental health residential and treatment programs, addiction prevention and support services, and programs for those with developmental disabilities.
