

Volunteers help at Horizons

CANANDAIGUA — Employees from Liberty Mutual Insurance's Victor and Webster offices volunteered on the recent United Way Day of Caring to spruce up the building and grounds at Horizons, a DePaul Senior Living Community.

Liberty Mutual staff pulled weeds, planted flowers, scraped and painted hand railings, washed windows and even helped serve food at a picnic with residents at Kershaw Park and visited residents in their rooms.

"It was a beautiful day and their work is greatly appreciated," said Horizons Administrator Stacie Major.

Volunteers included Sales Representatives Dave Mullaney, Kevin Mucci, Eric Fluker, Kate Tally, Senior Administrative Associate Lindsay Wolford, Sales Representative Anna Schultz, Administrative Associate Lynne Vick, Lead Service Representative Nancy Bergen, Sales Representative Peter Harris, Sales Associate Sara Matteson, Office Manager Caitlin Marcellus, Sales Representatives Brent Seewald and Mike Barry.
