Students from Anastasia's Spotlight Dance in Churchville have danced their way into the hearts

of residents at Westwood Commons, a DePaul Senior Living Community in North Chili.

Dance instructor Anastasia Bechtold said her dance troupe has

performed more than five times at Westwood Commons, featuring a variety of styles including ballet, tap, lyrical and Irish.

"Our dancers at Spotlight perform at various

community events and venues," said Bechtold. "The opportunity to dance for the seniors at Westwood Commons is a blessing for dancers and the residents."
