Groundbreaking for Carriage Factory Apartments

By: YNN Staff

A ceremonial groundbreaking Thursday marked the start of renovations for the Carriage Factory Apartments.

The 73,000 square foot building was the original home of the Cunningham Carriage Factory.

DePaul's \$23,000 redevelopment will create 71 rental units for individuals with special needs.

The project received \$3.3 million from Finger Lakes Regional Economic Development council for the building's re-use.

"It's part of our history that's being re-purposed, and it's wonderful that we can use these structures to do it, too," said Mayor Tom Richards.

The building has been vacant for almost 25 years and is one of the oldest manufacturing plants in Rochester.
