

Horizons residents celebrate Valentine's Day

CANANDAIGUA

From Valentine's-themed crafts and games to music and cookies, there was no shortage of love around Horizons, a DePaul Senior Living Community.

Residents made heart-shaped door decorations using free paint samples. Among those completing craft projects were Garda Houston and Susan Stewart. In addition, residents made homemade cards and decorated the halls of Horizons with hearts emblazoned with the things they love on them.

Little Lambs Preschool students paid a visit to Horizons. Each child and resident received a half of a heart cut-out and then worked together to match them up! And on Valentine's Day, residents enjoyed eating heart shaped cookies and listening to love songs played by Henry Boessel on accordion.
