  - Coding errors;
  - Errors in rate or unit;
  - Keying or inputting errors;
  - Provision of unauthorized services;
  - Services are not medically necessary, or necessity is not documented in the record;
  - Absence of one or more required elements of documentation;

  - Duplicate payments;
  - Fraudulent behavior by employees or others;
  - Discovery of an employee or contractor on the Federal or State exclusion lists; and
  - Damaged, lost, or destroyed records.
2. The Compliance Officer or designee will investigate the issue; review any underlying facts; quantify and identify the amount of overpayment; ensure that any errors are corrected; and ensure that any refunds are made to the appropriate governmental agency or third-party payer. The investigation will be conducted in accordance with the Reporting and Investigation of Compliance Concerns Policy and Procedure. The Compliance Officer may engage outside legal counsel, auditors, or other consultants to help determine whether an overpayment has occurred and/or to quantify the overpayment.
  3. An overpayment is deemed “identified” when it is determined or should have been determined through the exercise of reasonable diligence, that an overpayment was received, and the amount of the overpayment has been quantified.
  4. The Compliance Officer is responsible for ensuring that DePaul properly discloses all overpayments to the appropriate payer and makes any reports and refunds that are necessary within the required timeframe for the payer.
  5. Medicaid and Medicare overpayments must be reported and returned no later than 60 days after the date of the overpayment was identified.
  6. Medicaid overpayments must be reported and returned in accordance with the Office of Medicaid Inspector General’s (OMIG) Self-Disclosure Protocol.
  7. Medicare overpayments are reported and refunded to the Medicare Administrative Contractor (MAC) or through the Office of Inspector General’s Voluntary Self Disclosure program.
  8. Overpayments to other third-party payers will be made in accordance with the contractual agreement.
  9. Any overpayments retained by the Organization after the deadline for reporting and returning the overpayment may be subject to a monetary penalty.
  10. The Compliance Officer must approve the overpayment and self-disclosure procedures and/or any revisions to procedures or forms before implementation.

11. Failure to report a potential reimbursement and billing issue or suspected overpayment will result in disciplinary action, up to and including termination of employment or contract.
12. The Compliance Officer will maintain a file for each overpayment and self-disclosure. All interview notes, evidence, claims data, and written communication to and from the government agency or third-party payer will be maintained in the file in a secure location.

14. A report of overpayments, the results of investigations, and remedial actions will be reported to the Compliance Committee on a quarterly basis, and to the Board of Directors at least annually.

## II. **Medicaid Self-Disclosure**

1. DePaul will participate in the OMIG's self-disclosure program under the following eligible conditions as required:

3. DePaul will enter into a self-disclosure compliance agreement with the Medicaid Inspector General that will be executed within 15 days of receiving said agreement from the Medicaid Inspector General or other time frame permitted by OMIG.
4. Any false material information or omitted material information when submitting a self-disclosure, any attempts to evade an overpayment due, or any failure to comply with the terms of a self-disclosure and compliance agreement will not be tolerated and will be subject to disciplinary action up to and including termination.
