#### DePaul Strong #64 – June 28, 2024

#### Thank You for Making a Difference

DePaul is grateful for the notes of appreciation from those we serve and their loved ones letting us know what our dedicated, wonderful employees mean to them.

# **Praise for Heritage Manor**

Heritage Manor is clean, beautiful, and welcoming for both visitors and residents. It is very apparent that they regularly invest in landscaping, décor, and updates.

My family member enjoys the food (and they are finally eating three meals a day at regular times) and they have top tier activities. My family member went from being slightly reclusive to being vibrant and participatory in less than one year's time.

The staff treats residents (and myself as a caregiver) like family. They are always kind, always patient, and it is clear that everyone takes their job seriously and also finds purpose in their roles.

If you are considering placing a loved one here, I highly recommend it!

Ø DEPAUL

We can't thank you enough for your care of our mother over the years while she lived at Westwood Commons. It brought us peace of mind and we appreciate all of your hard work.
