

Honoring service and gratitude at Wheatfield Commons

Residents at Wheatfield Commons, a DePaul Senior Living Community in North Tonawanda, recognized Veterans Day and National Gratitude Month as well as enjoyed connection and joy through engaging social activities.

Wheatfield Commons reflected on

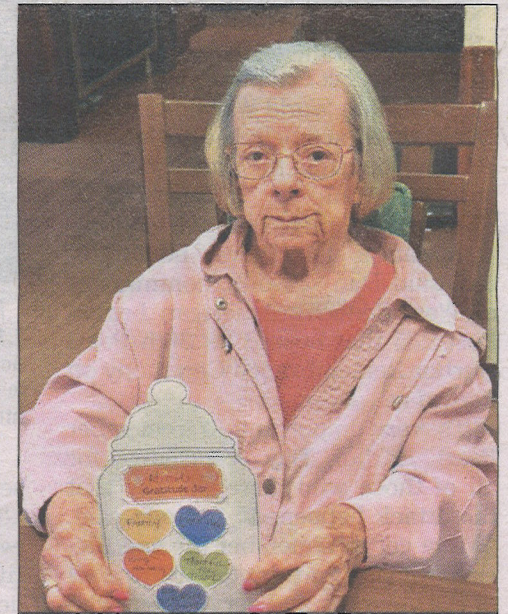

those who served in the military, sharing heartfelt thanks for sacrifices made and freedoms cherished. Two residents were honored with certificates including Navy veteran Earl Keith Brooks and Army veteran Thomas Riek. Nicole Beedle expressed what she is thankful for in

honor of National Gratitude month with a gratitude jar craft activity.

Dorothy Getty and Gladys Guize donned fancy scarves and enjoyed a lively conversation on the theme of friends and family during Tea Talk. Janet Berent engaged her creativity with an owl craft, and Christine Pruetz

got into the spirit with a festive Thanksgiving photo shoot.
